effective recipes for your safer cleaning kit

Keep your family safer and save money by making cleaners with ingredients you already have at home.

Floor cleaner

1  mix 1 tablespoon liquid dish soap + 1 gallon warm water → bucket

2  mop with solution

Note: Adjust recipe depending on liquid dish soap you use.

Drain cleaner

1  pour 1/2 cup baking soda → drain

2  pour 1/2 cup white vinegar* → drain

3  wait a few minutes

4  boiling water → drain

5  repeat if needed

 * Vinegar smell goes away once dry.

Toilet bowl cleaner

1  sprinkle of baking soda → toilet bowl

2  2-3 drops of liquid dish soap → toilet bowl

3  scrub with toilet brush

4  flush

Tub & sink cleaner

1  sprinkle of baking soda +  sprinkles of water →  on surfaces and fixtures

2  scrub with sponge

3  rinse

Window & mirror cleaner

1  1/2 cup white vinegar* →  spray bottle

2  fill bottle to top with water

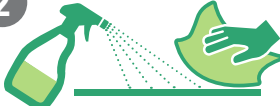

3  spray and rub with a lint-free cloth or newspaper

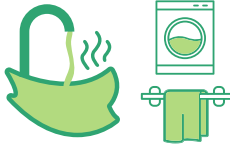

Note: Not for use on painted surfaces.

 * Vinegar smell goes away once dry.

Counter cleaner

1  1 cup water +  1 teaspoon liquid dish soap →  spray bottle

2  spray counters & wipe with microfiber cloth

3  rinse cloth with hot water or put in washing machine, air dry
